EMC Receives CSLN Insurance Partnership Award

DES MOINES, Iowa (June 25, 2015) – EMC Insurance Companies was selected to receive the 2015 Insurance Member Partnership Award from the Child Support Lien Network (CSLN) for its valued contributions to the child support community. The award is in recognition of EMC’s demonstrated superior corporate citizenship and participation through sharing claims information within the 30-state child support lien network.

“EMC has been a consistent and dependable participant throughout our 14-year partnership. EMC’s corporate ethics are admirable and an inspiration to the insurance industry ... Thank you, EMC, for being such a great champion in helping to improve the lives of so many children and families across the country!” said Sharon Santilli, Rhode Island child support director and CSLN administrator.

Over 1,800 insurers participate in CSLN and share claims information with 30 states to help collect \$140 million in child support annually. EMC joined CSLN in February 2001 as one of the first matching insurance partners. Over the last 14 years, EMC has contributed nearly 7,000 matches to the program, resulting in numerous collections. Two significant collections from 2014 include a recovery of over \$30,000 and another over \$40,000 in past due child support.

The award was presented to EMC Providence Branch Manager Bill Arnold and Providence Branch Claims Manager Neil Collins on June 11 at the Annual Rhode Island Child Support Conference. “We are pleased to do our part and are proud to have a positive financial impact on so many children and families,” said Bruce G. Kelley, president and chief executive officer of EMC Insurance Companies.
