EMC Insurance Foundation Proudly Supports On With Life

DES MOINES, Iowa (Aug. 14, 2014) – President and Chief Executive Officer Bruce G. Kelley participated in the groundbreaking ceremony for the On With Life expansion project.

“Part of supporting our community means supporting the organizations that can help in the event of an accident or catastrophe,” said Kelley. “We are proud to contribute to this expansion project because of the exceptional rehabilitative services they offer.”

On With Life provides rehabilitation services to the people of Iowa who have sustained a traumatic brain injury, stroke, tumor, aneurysm or other brain injury. The EMC Insurance Foundation was one of the original founding contributors of On With Life in 1991 and refers some claimants to the services they provide.

About EMC

EMC Insurance Companies is among the top 50 insurance organizations in the country based on net written premium, with assets over \$3 billion and more than 2,100 employees. The company was organized in 1911 to write workers’ compensation protection in Iowa. Today, EMC provides property and casualty insurance products and services throughout the United States and writes reinsurance contracts worldwide. Operating under the trade name EMC Insurance Companies, Employers Mutual Casualty Company and one or more of its affiliated companies is licensed in all 50 states and the District of Columbia. For more information, visit www.emcins.com and www.countonemc.com.

About On With Life

On With Life is a nonprofit organization and a midwest leader in brain injury rehabilitation. The organization began as the dream of a dedicated, passionate group of survivors and their families, faced with the challenge of rebuilding lives shattered by brain injury. They envisioned a program that would provide rehabilitation services to persons living with brain injury. Since opening in 1991, they have served more than 2,500 Iowans and their families. On With Life offers a continuum of services for people who have sustained a traumatic brain injury, stroke, tumor, aneurysm or other brain injury. For more information, visit www.onwithlife.org.
