### **EMC Named a Best Place to Work in North Dakota**

BISMARCK, N.D. (Sept. 6, 2018)—The EMC Insurance Companies Bismarck Branch has been named one of the 50 Best Places to Work by *Prairie Business* magazine, a leading business publication for professionals in the Northern Great Plains area.

“Fostering a positive, healthy work environment takes more than one individual’s efforts. This recognition is a testament to our branch’s overall commitment to creating an encouraging, engaging culture,” says Marilyn Ternes, resident vice president and EMC Bismarck Branch manager. “When our team members are empowered to achieve their finest, so is EMC.”

The annual 50 Best Places to Work contest ranks organizations based on confidential employee nominations that look at work environment, employee benefits and employee morale. The number of nominations submitted for organizations is also considered when determining winners. More than 1,300 nominations were submitted for this year’s contest.
