CHARLOTTE, N.C. (Oct. 8, 2018)—The EMC Insurance Companies Charlotte Branch has been named a Top Workplace by *The Charlotte Observer*. The list is based solely on team member feedback gathered through a third-party survey administered by research partner [Energage, LLC](#), (formerly WorkplaceDynamics), a leading provider of technology-based employee engagement tools. The anonymous survey measures several aspects of workplace culture, including alignment, execution and connection, just to name a few.

“This recognition demonstrates our commitment to fostering a positive environment where team members are engaged and empowered to do their best work,” says Craig Bruder, resident vice president and branch manager of the EMC Charlotte Branch. “We are proud to have a culture centered around our team members’ well-being.”

“Becoming a Top Workplace isn’t something organizations can buy,” says Energage CEO Doug Claffey. “It’s an achievement organizations have worked for and a distinction that gives them a competitive advantage. It’s a big deal.”
