Rivera Joins EMC Re as AVP – Business Intelligence

DES MOINES, Iowa (Oct. 6, 2020)—Linda Rivera has joined EMC Reinsurance Company (EMC Re) as Assistant Vice President – Business Intelligence. Rivera is a seasoned reinsurance professional with more than 35 years of experience in underwriting, risk management and operational efficiency. She has a diversified background holding varying roles in assumed and ceded reinsurance.

Most recently, she served as Senior Vice President and Regional Multiline Manager for QBE Reinsurance. Prior to that, Rivera worked at XL Reinsurance, Gulf Insurance Company and Partner Reinsurance.

Rivera will be part of the executive team at EMC Re, leading the Business Intelligence unit providing consultation in areas of underwriting, risk management, pricing and analytics. Her unique background with expertise in both underwriting and operations will drive profitable growth and diversification of the portfolio. She will be based in the New York area.

About EMC Insurance Companies

EMC Insurance Companies is among the top 60 property/casualty insurance organizations in the country based on net written premium, with more than 2,400 employees. Employers Mutual Casualty Company (EMCC) was organized in 1911 to write workers' compensation protection in Iowa. Today, operating under the trade name EMC Insurance Companies, the company provides property and casualty insurance products and services throughout the United States and writes reinsurance contracts worldwide. EMCC is licensed in all 50 states and the District of Columbia. For more information, visit emcins.com.

About EMC Re

EMCC has been assuming reinsurance since the 1950s. EMC Reinsurance Company (EMC Re) was established in 1981. For more information, visit <https://www.emcins.com/emcre/>.
