

SAFETY BRIEF

THE COST OF ACCIDENTS ON THE JOB

Accidents on the job can be costly for both you and your company. They can cause minor or major injuries and severely damage equipment. Accidents can happen within a split second but result in lasting damages.

COSTS TO YOU

- Pain
- Stress
- Lost or reduced wages
- Permanent disability
- Inability to participate in activities outside of work
- Lack of social interaction

COSTS TO YOUR COMPANY

- Train and compensate a replacement worker
- Overtime
- Repair damaged equipment or machinery
- Accident investigation
- Lower employee morale
- OSHA fines
- Loss of contracts
- Higher workers' compensation premium
- Loss of productivity

To help stay safe at work, know your job and ask questions if you don't understand something. If you notice a hazard, report it to your supervisor.
