

Online Training

Providing your employees with effective safety training can be difficult, especially if they are spread out across multiple shifts or locations, and limited safety budgets add to the challenge. Let EMC help your organization with our free, interactive online training system.

Why Choose EMC's Online Training?

- CONSISTENT TRACKABLE** All employees take the same training, no matter where they are
- EASY TO DELIVER** Manage records with the Loss Control LearningCentral system
- CONVENIENT** Employees log in, watch course, take quiz
- FREE** Available 24/7
- FREE** Included with your EMC policy

Conduct Your Safety Training Without These Costs:

- Hiring a consultant/expert to train
- Loss of productivity while conducting group training
- Travel costs for employees to attend off-site training

More About EMC's Online Training

- Over 40 courses available
- Short courses, usually 20 minutes or less, keep learners engaged
- Employee training courses have accompanying quizzes to test for comprehension

Popular Topics

Defensive Driving | Forklift Basics | Back and Lifting Safety | Sexual Harrassment | Accident Investigation | Ergonomics in the Workplace
