

Online Loss Control Resources

EMC offers commercial policyholders a variety of loss control resources and tools on emcins.com. Whether you want easy-to-understand safety information, training materials or help with improving workplace safety, you'll find almost everything you need conveniently online.

EMC's Online Resources

Online training

Safety program templates

Safety Videos

Lots of information

Easy to Access, Easy to Use

- 1 Visit emcins.com, then click **Loss Control**
- 2 Use your policy number to access some of the tools (which can be found on the declarations page of your policy, or contact your agent)

Not sure where to start?

Take a look at your past losses and search for resources to help in those areas. (Choose **Loss Control**; then select **Safety by Topic**.)

If you're not sure about your own loss history, try checking out our resources about these common losses across all industries:

Ergonomics and Back Safety

Fleet and Driver Safety

Facilities Management

Slips and Falls

Hello
