

IntelliCorp Background Screenings

EMC is making it easy for you to hire quality candidates and help ensure the safety and security of your organization. That's why we've partnered with IntelliCorp to provide you with preferred pricing for quality and compliant background screenings.

Discounted Package

IntelliCorp delivers a thorough picture of your applicant, so you'll get a full representation of who you're hiring based around your specific requirements. They also provide you with tools and compliance resources to assist in creating a comprehensive background screening program, including:

- Access to validated criminal searches, including sex offenders and state departments of corrections
- Government sanction checks (for terrorists and others restricted from conducting business in the United States)
- SSN verification with address history

Additional Services

You can add additional services to your program for a fee, including:

- Adverse action letters
- Credit reports
- Drug testing
- Employment and education verifications
- Federal criminal searches
- I9/E-Verify management
- Motor vehicle reports (MVRs)
