EMC wants to help your organization provide a safe and healthy work environment for your employees. That's why we have partnered with CJ Cooper, a third-party administrator for drug and alcohol testing, to provide our policyholders with preferred pricing on their services.

TESTING SERVICES

Since 1990, employers have depended on CJ Cooper for reliable, convenient drug testing options. There are a number of testing services available to EMC policyholders, including DOT and non-DOT testing for:

- Pre-employment

- Reasonable suspicion

THE PROCESS

Representatives from CJ Cooper will walk you through developing your drug testing policy statement, provide training for supervisors, and will send supplies for drug testing directly to you or a local lab or clinic. CJ Cooper has collection sites nationwide and will work with you to ensure compliance with all federal and state laws. You will also have access to an online customer portal with testing results.
