How much does it cost?

Access to SafeColleges Training's full library of training programs is available at no cost to EMC policyholders.

What kind of training is available?

SafeColleges Training includes more than 150 training courses written by leading safety authorities. Topics include SaVe Act, Title IX, sexual misconduct, active shooter, transportation safety and more.

How can I manage my staff's training?

The SafeColleges Training system allows you to create training assignments, check to see who has completed courses and send automated reminder emails to those who haven't completed their training. And your staff can access training at any time, from any computer with internet access.

How do I get started?

Contact SafeColleges at 800-434-0154 or email info@safecolleges.com. A dedicated account manager will walk you through the sign-up process, getting your new training program off to a great start.
