EMC Valley Forge Office Named Top Workplace

VALLEY FORGE, PA. (March 7, 2019)—The EMC Insurance Companies Valley Forge Office has been named a Top Workplace by daily newspaper *The Morning Call*. Evaluation for the Top Workplace program is based on team member feedback from the Energage survey. The anonymous survey measures several aspects of workplace culture, including alignment, execution and connection.

“Only 45 companies made *The Morning Call*’s list of Top Workplaces,” says Craig Bruder, resident vice president and branch manager of the EMC Valley Forge Office. “The fact that EMC is among these workplaces demonstrates our commitment to a workplace culture that encourages flexible, energized and inspired team members.”

“Becoming a Top Workplace isn’t something organizations can buy,” says Energage CEO Doug Claffey. “It’s an achievement organizations have worked for and a distinction that gives them a competitive advantage. It’s a big deal.”
