DES MOINES, Iowa (July 27, 2020)—EMC Insurance Companies has been named a 2020 Top Workplace in southeastern Wisconsin by the *Milwaukee Journal Sentinel*. The list is based solely on [employee feedback](#) gathered through a third-party survey administered by employee engagement technology partner [Energage](#), LLC. The anonymous survey measures 15 drivers of engaged cultures including alignment, execution and connection.

“We are ecstatic to be named one of southeastern Wisconsin’s top workplaces, and this honor is a testament to the dedication and hard work of our team members,” said Mark Neubauer, Resident Vice President and Milwaukee Branch Manager.

The Top Workplaces program is southeast Wisconsin's most prestigious recognition of the region's best employers. It recognizes the businesses and organizations that, according to their own employees, offer the flexibility, training and support those workers need to get ahead.

“In times of great change, it is more important than ever to maintain a connection among employees,” said Eric Rubino, Energage CEO. “When you give your employees a voice, you come together to navigate challenges and shape your path forward based on real-time insights into what works best for your organization.
